

LENA - COMMON POINTS AND FUTURE COLLABORATION BETWEEN DTP'S LANDSCAPE AND BIODIVERSITY PROJECTS

On 18th and 19th October, 2017 LENA Project was presented during the 6th Annual Forum of the EU Strategy for the Danube region (EUSDR). The forum took place in Budapest and was jointly organized by Hungary – holding the current Presidency of the EUSDR, the European Commission and the Danube Transnational Programme. It assembled policymakers and civil society representatives from the region to share ideas, exchange knowledge and lay out the plans for the future.

TOURISTS AND COMMUTERS DRIVE THE E-BIKE BOOM EXCHANGE ABOUT E-BIKES ON REGIONAL CONFERENCE

Whether for tourism in the Danube valley or for the local bike sellers – the trend towards e-bikes has positive effects on economy in our region. This is one of the outcomes of the regional conference “e-bikes and nature tourism”. The Landscape Park Young Danube and the city of Tuttlingen had invited to this event in the civic hall of Tuttlingen within the EU-project LENA.
